

Downpayment Assistance Program For Qualified Homebuyers

Features

- Down payment assistance loan, up to 10% of the purchase price of the home (to a maximum of \$25,000), will be provided to homebuyers who qualify with participating banks, often in conjunction with a Federal Home Loan Bank “Equity Builder Program” grant.
- Loans will be on a first-come, first-served basis – with a proven mortgage commitment from a participating lender.
- The loan will be a 0% interest, deferred payment loan (DPL). Homebuyers must agree to repay the loan in full when the house is sold or transferred, unless the selling price is *lower* than the original purchase price of the house.

Qualifications

- Applicants do not need to live in Great Barrington, but the home being purchased must be located in Great Barrington and used as their principal residence.
- Households can make no more than 100% of CPC Median Income (see below).
- Standard secondary market underwriting criteria determined by participating lender.
- Borrowers cannot own any other residential properties.
- Homebuyer counseling must be completed by borrowers if they are a first-time homebuyer.
- Multi-family homes of up to 4 units qualify, but it **must** include an owner-occupied primary residence.
